32 UPPER WEST SIDE OPENINGS & CLOSINGS: CANDY, SHOES, WINE, RESTAURANTS, KIDS' STUFF, MORE

The new year has brought lots of new stores and restaurants to the Upper West Side, as well as news about what could come in the next few months. New indulgences abound, including grilled cheese, chocolate, a trendy coffee spot, and an upcoming vegan-juice bar for you healthy people. Check out our map of local openings and closings — the numbers in the map correspond to the descriptions below.

31. Kids club Apple Seeds is opening on 70th Street and West End, right next to Bin 70 Wine. Isn't there a law against that sort of thing.

32. Bin 70 Wine is opening on 70th Street and West End Avenue, but will not be serving the children who attend Apple Seeds next door (we hope).
