2013 TOTALLY AWESOME
AWARDS

Most Awesome Indoor Playspaces

Winner: Apple Seeds

When the Big City just doesn't accommodate play time with good weather, Apple Seeds is here to help. This interactive play space provides families with a sense of community and a modern, safe, clean environment where kids can play and learn. Apple Seeds offers over 100 classes a week and their incredibly unique and popular indoor playgrounds are designed by well-known children's museum designers.
